Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Warranty: 1 Year
- Starting System: Electric Start
- Control System: Automatic Control
- Efficiency: High
- Noise Level: Low
- Fuel: Diesel
- Installation: Easy
- Brand: Cummins
- Highlight: **Cummins Industrial Generator Set,
Water Cooled Industrial Generator Set,
cummins 600 kw diesel generator**

Product Description

Product Description:

Cummins Diesel Genset is a Diesel Generator Set with superior performance and reliability. It features a powerful and efficient Cummins engine with a 1500/1800 RPM speed. The generator set is designed for easy installation and easy operation. It can be operated in both Automatic and Manual mode, and it is equipped with an Electric Start system. Plus, it comes with a 1 year warranty for added peace of mind. Cummins Diesel Genset is the perfect solution for your power needs.

Features:

Product Name: Cummins Diesel Generator

Frequency: 50/60 Hz

Control System: Automatic Control

Operation Mode: Automatic/Manual

Noise Level: Low

Efficiency: High

Product Highlights: Cummins Diesel Genset, Diesel Generator Set, Cummins Diesel Genset

Technical Parameters:

Attributes	Values
Installation	Easy
Operation Mode	Automatic/Manual
Fuel	Diesel
Control System	Automatic Control
Cooling System	Water Cooled
Frequency	50/60 Hz
Brand	Cummins
Efficiency	High
Warranty	1 Year
Starting System	Electric Start

Applications:

Cummins Diesel Generator set, produced by Minlong, a China-based brand with ISO9001 certification, is a reliable and efficient diesel generator that ensures a stable power supply for a wide range of applications. It is equipped with Cummins diesel engines, and is available in both automatic and manual operation mode. Its rated speed is 1500/1800 RPM, and it operates at 50/60 Hz frequency. It has high efficiency and low fuel consumption. The minimum order quantity is 1, and the price is negotiable. It will be delivered in a wooden case within 10-15 days after payment, and the company's supply ability is 1000 pieces per week. The payment terms are L/C, D/A, D/P, T/T, Western Union, MoneyGram.
