

## Diesel Perkins 30kva Generator 1000L Water Cooled Power House Diesel Generator

Our Product Introduction

for more products please visit us on [diesels-generators.com](http://diesels-generators.com)

### Basic Information

- Place of Origin: China
- Brand Name: Minlong

### Product Specification

- Engine Brand: Perkins
- Cooling System: Water Cooled
- Starting System: Electric
- Frequency: 50Hz
- Fuel Tank Capacity: 1000L
- Power Output: 1000kW
- Warranty: 1 Year
- Control System: Automatic
- Highlight: **Diesel Perkins 30kva Generator,  
Perkins 30kva Generator Water Cooled,  
1000L Power House Diesel Generator**

## Product Description

### Product Description:

Perkins Diesel Generator is a durable diesel generator set designed to provide high output. It is powered by a diesel engine with a speed of 1500rpm and a frequency of 50Hz. It is designed with superior quality and performance, with dimensions of 2500mm X 1500mm X 2000mm and a power output of 1000kW. It is perfect for industrial and commercial applications, providing reliable power and highly efficient operation. With its robust design and long-lasting durability, the Perkins Diesel Generator is ideal for any application that requires a reliable and powerful generator set.

### Features:

Product Name: Perkins Diesel Generator

Frequency: 50Hz

Fuel Tank Capacity: 1000L

Warranty: 1 Year

Fuel Type: Diesel

Speed: 1500rpm

**High Output Diesel Generator**

**Advanced Diesel Electric Generator**

### Technical Parameters:

Attribute	Value
<b>Heavy Duty Diesel Generator</b>	<b>Perkins Diesel Generator</b>
Power Output	1000kW
Cooling System	Water Cooled
Fuel Tank Capacity	1000L
Fuel Type	Diesel
Speed	1500rpm
Control System	Automatic
Engine Brand	Perkins
Voltage	400V
Dimensions	2500mm X 1500mm X 2000mm
Warranty	1 Year

### Applications:

Minlong Advanced Diesel Electric Generator is the ideal choice for a wide range of applications. Featuring a powerful 1500rpm engine, a weight of 3000kg, dimensions of 2500mm X 1500mm X 2000mm, a fuel tank capacity of 1000L, and a 1 Year Warranty, this high-output diesel generator is perfect for those who need a reliable and efficient power solution. It is made in China and is known for its advanced features and superior performance. With its superior fuel economy, low emissions, and long-term durability, the Minlong Advanced Diesel Electric Generator is the perfect choice for any business or industrial application.

### Customization:

Perkins Diesel Generator: Advanced Diesel Electric Generator with High Output

Brand Name: Minlong

Place of Origin: China

Dimensions: 2500mm X 1500mm X 2000mm

Voltage: 400V  
Warranty: 1 Year  
Engine Brand: Perkins  
Weight: 3000kg

This Perkins Diesel Generator is an advanced diesel electric generator with high output. It is designed to provide reliable and efficient electricity at all times. It is manufactured using quality components and materials to ensure durability and performance. The generator is easy to install and requires minimal maintenance. It is also covered by a one year warranty for your peace of mind.

### Support and Services:

Perkins Diesel Generator provides technical support and services to ensure that customers are satisfied with their purchase. Our technical support team is available 24/7 and is dedicated to providing customers with timely assistance to ensure that their engine runs smoothly and efficiently. In addition, our service team is available to assist with any maintenance or repair work that may be needed. They can provide assistance with engine diagnostics, repairs, and preventative maintenance. Our team of experienced technicians can answer any questions that customers may have and provide the necessary support to keep customers and their engine running at peak performance.

### Packing and Shipping:

Perkins Diesel Generator Packaging and Shipping:  
The generator is carefully secured to a pallet.  
The pallet is then shrink wrapped for extra protection.  
The pallet is loaded on a truck for delivery.  
The driver will unload the generator at the designated location.

### FAQ:

Q: What is the Brand Name of this Perkins Diesel Generator?  
A: The Brand Name of this Perkins Diesel Generator is Minlong.  
Q: Where does this Perkins Diesel Generator come from?  
A: This Perkins Diesel Generator comes from China.  
Q: What is the fuel type of this Perkins Diesel Generator?  
A: This Perkins Diesel Generator uses diesel as fuel.  
Q: What is the power output of this Perkins Diesel Generator?  
A: The power output of this Perkins Diesel Generator depends on the model.  
Q: What is the maintenance frequency of this Perkins Diesel Generator?  
A: This Perkins Diesel Generator should be maintained after every 100 hours of operation.
