

SDEC Petrol Power Generator 10-1000KW Low Noise

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Sdec
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Control System: Automatic/Manual
- Frequency: 50/60Hz
- Fuel: Diesel
- Brand: SDEC
- Power: 10-1000KW
- Voltage: 220V/ 380V/ 400V/ 415V/ 440V/ 480V
- Protection System: Overload/High Temperature/Low Oil Pressure
- Speed: 1500/1800rpm
- Highlight: **SDEC Petrol Power Generator,**
1000KW Petrol Power Generator

Product Description

Product Description:

The **SDEC Diesel Generator** is the ideal choice for your power needs. This reliable and efficient generating unit is designed to provide exceptional performance and value. With a range of 10-1000KW, this generating equipment is designed to meet the demands of commercial and industrial applications. The SDEC Diesel Generator utilizes a state-of-the-art control system, including both manual and automatic options, to ensure efficient power production. Additionally, the generator is equipped with a comprehensive protection system to guard against overload, high temperature, and low oil pressure. All SDEC Diesel Generators come with a 1-year warranty, ensuring peace of mind in your power needs.

Features:

SDEC Diesel Power Generator

Protection System: Overload/High Temperature/Low Oil Pressure

Voltage: 220V/ 380V/ 400V/ 415V/ 440V/ 480V

Fuel: Diesel

Power: 10-1000KW

Brand: SDEC

SDEC Diesel Engine Generator

SDEC Diesel Generating Unit

Technical Parameters:

Product Attribute	Value
Name	SDEC Diesel Generating Unit
Power	10-1000KW
Type	Diesel Generator
Starting System	Electric/Manual
Fuel	Diesel
Protection System	Overload/High Temperature/Low Oil Pressure
Control System	Automatic/Manual
Cooling System	Air/Water
Noise	Low
Warranty	1 Year
Frequency	50/60Hz

Applications:

SDEC Diesel Generator is a high-quality diesel generator produced by SDEC with ISO9001 certification. It has a power range from 10 to 1000KW and runs on diesel fuel which ensures low noise operation. With a frequency of 50/60 Hz and a speed of 1500/1800rpm, SDEC Diesel Generator is a reliable and robust generating equipment. It is suitable for a variety of applications such as residential and commercial establishments, construction sites, hospitals, factories, and mining operations. It is also ideal for emergency backup power supply. The minimum order quantity for SDEC Diesel Generator is 1 and the price is negotiable. It is usually packed in wooden cases and delivered within 10-15 days. Payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. SDEC Diesel Engine Generator is available in large quantities with a supply capacity of up to 1000 pieces per week.

Customization:

Type: **Diesel Generator**
Frequency: **50/60Hz**
Speed: **1500/1800rpm**

SDEC Diesel Engine Generator, SDEC Diesel Generating Unit, SDEC Diesel Generator Sets are made with stringent quality control and are designed for maximum performance, efficiency and reliability. With advanced technology and world-class craftsmanship, we provide you with the best diesel generating solutions.

Support and Services:

SDEC Diesel Generator provides technical support and services to ensure customer satisfaction. We offer both online and on-site technical support, with dedicated technical engineers for each customer. Our technical team is available 24/7 to answer any product queries and provide timely solutions. We also provide preventative maintenance services, and our engineers can repair and replace parts as needed. We also offer remote monitoring services, allowing us to monitor the performance of the generator and provide technical support in real-time. We also provide regular updates to the software and firmware of the generator, to ensure optimal performance and efficiency.

Packing and Shipping:

Packaging and Shipping for SDEC Diesel Generator

Our SDEC diesel generator is well-packaged to ensure safe transportation and storage.

For standard diesel generator sets, we use plywood box packaging.

For special diesel generator sets, we use wooden pallet packaging.

We also provide customized packaging for customers.

We provide various shipping methods for our customers, such as sea freight, airfreight, railway transportation and road transportation.

FAQ:

Q&A about SDEC Diesel Generator

Q: What is the brand name?

A: The brand name is SDEC.

Q: Where is it made?

A: It is made in China.

Q: What certifications does it have?

A: It is certified with ISO9001.

Q: How many pieces can you supply per week?

A: We can supply up to 1000 pieces per week.

Q: What is the minimum order quantity?

A: The minimum order quantity is 1.
